

# Fundraising Proposals

Fred Zulueta  
Fall 2018

# Goals:

The goal is to give cabinet members proposals in order to raise money for the BFA show (possibly club activities) I have 3 methods to share: Donations, Selling Member work, and Activities.

# Overview:

Based on previous BFA show costs from 2017, I believe our goal is to earn at least \$500.

**\$1,330** of \$500 goal

Raised by 8 people in 21 months

# Donations!

Putting up donation pages on Go-fund-me or Kickstarter could work. The 2017 group used Go-fund-me and it was successful.

In class donations. If BFA students give 1-2 dollars per class all the way to March 29 it can prove to be successful.

# Selling:

Aside from the Jamba Juice Card fundraiser, perhaps we can sell artwork or a bake-sale.

Look for events where we can capitalize this via Student E-mail

\*\*\*Commissions as well (perhaps set up our own online shop) members can sell work.

# Activities:

Have individuals donate money in order to do a in-club activity.

In-club raffles, walk-a-thons, water balloon fights etc.

Negatives: Might have to sacrifice money to make more money.  
(works after we have \$)

# Closing:

Earning at least \$500 in 5 months puts us in at least \$100 a month.

If we earn excess money we can use that on activities which will most likely result in even more money.

Donations, Jamba Juice Cards, and our own shop are attractive ideas.
